July is Burse Club Month!

Each year, the Diocesan Council of Catholic Women provides materials to parishioners to participate in the "Burse Club," with the proceeds going to the education of future priests. This meeting-less club encourages members to support our seminarians with prayer and occasional cards and letters. It also encourages donations – historically \$1 per month or \$12 per year – however, this has increased to \$5 per month or \$50 per year. Unfortunately, \$12 per year doesn't go as far as it used to. Founded in 1953, the Burse Club has raised hundreds of thousands of dollars over the years.

Volunteer Opportunity

If you're good with numbers and would like to volunteer a few hours each month, talk to Fr. Chris or call the office.

Florida's Pro-Abortion Amendment

An extremely grave amendment has been placed on the November 2024 ballot that seeks to erase pro-life protections by inserting language into the Florida Constitution prohibiting regulation of abortion. The amendment would allow late-term abortions, including when the baby is capable of feeling pain, and would eliminate laws requiring parental consent and safety protocols for women. The Florida Conference of Catholic Bishops is working hard to oppose this dangerous and deceptive amendment and urges all Floridians to vote "NO" on Amendment 4.

**Bishops Statement:
Vote "NO" on Amendment 4**

“We urge all Floridians of goodwill to stand against the legalization of late-term abortion and oppose the abortion amendment. In doing so, we will not only protect the weakest, most innocent, and defenseless of human life among us but also countless women throughout the state from the harms of abortion,” said the bishops of Florida in their statement on Amendment 4.
